EXECUTIVE OFFICE OF THE PRESIDENT

BUREAU OF THE BUDGET

WASHINGTON 25, D. C.

OMB Waiver Letter In ERU File

My dear Mr. Dulles:

Your budget estimate for the fiscal year 1959 and the information presented by your representatives from the Central Intelligence Agency have been given careful analysis. The President has approved the inclusion in the budget of the following recommendation for your agency's appropriation:

25X1A

It is agreed that all of the new obligational authority is for your agency's regular program. The remaining [redacted] of your agency's anticipated obligations arising out of your operating program for fiscal year 1959 will be obtained from the reserve for contingencies.

25X1A

A draft of a letter which I propose to send to the Chairman of the House Committee on Appropriations is enclosed. This letter would officially notify Congress of the President's budget recommendations for your agency and would be transmitted shortly after the budget message is submitted in January. I would welcome your comments on the draft within the next fortnight.

The recommendations of the President, the estimates submitted, and any other information used in the formulation of these recommendations are to be considered as privileged until the budget message is presented to Congress, except that in those cases where the Bureau of the Budget releases estimates to the Committees on Appropriations prior to that time, the estimates may be discussed with members and staff of those committees. In such cases you will be advised before the estimates are released.

Sincerely yours,

Paul Brundage
